TITLE II—NATIONAL PARK SYSTEM

ESTABLISHMENT OF NEW AREAS

Administration
by Interior
Secretary.
16 USC 410hh.

SEC. 201. The following areas are hereby established as units of the National Park System and shall be administered by the Secretary under the laws governing the administration of such lands and under the provisions of this Act:

Aniakchak
National
Monument.
16 USC 431 note.

(1) Aniakchak National Monument, containing approximated one hundred and thirty-eight thousand acres of public lands, and Aniakchak National Preserve, containing approximately three hundred and seventy-six thousand acres of public lands, as generally depicted on map numbered ANIA-90,005, and dated October 1978. The monument and preserve shall be managed for the following purposes, among others: To maintain the caldera and its associated volcanic features and landscape, including the Aniakchak River and other lakes and streams, in their natural state; to study, interpret, and assure continuation of the natural process of biological succession; to protect habitat for, and populations of, fish and wildlife, including, but not limited to, brown/grizzly bears, moose, caribou, sea lions, seals, and other marine mammals, geese, swans, and other waterfowl and in a manner consistent with the foregoing, to interpret geological and biological processes for visitors. Subsistence uses by local residents shall be permitted in the monument where such uses are traditional in accordance with the provisions of title VIII.

TITLE I

DESIGNATION OF WILDERNESS

SEC. 101. (a) In furtherance of the purposes of the Wilderness Act, the following lands, as generally depicted on maps, appropriately referenced, dated July 1980 (except as otherwise dated) are hereby designated as wilderness, and therefore, as components of the National Wilderness Preservation System—

* * * * *

98 STAT. 1622

(25) certain lands in the Sierra and Inyo National Forests and the Devils Postpile National Monument, California, which comprise approximately one hundred and ten thousand acres, as generally depicted on a map entitled "San Joaquin Wilderness—Proposed", and which shall comprise a portion of the Ansel Adams Wilderness established pursuant to subparagraph (a)(15) of this section: *Provided, however,* That nothing in this title shall be construed to prejudice, alter, or affect in any way, any rights or claims of right to the diversion and use of waters from the North Fork of the San Joaquin River, or in any way to interfere with the construction, maintenance, repair, or operation of a hydroelectric project similar in scope to the Jackass-Chiquito hydroelectric power project (or the Granite Creek-Jackass alternative project) as initially proposed by the Upper San Joaquin River Water and Power Authority: *Provided further,* That the designation of the San Joaquin Wilderness shall not preclude continued motorized access to those previously existing facilities which are directly related to permitted livestock grazing activities nor operation and maintenance of the existing cabin located in the vicinity of the Heitz Meadow Guard Station within the Ansel Adams Wilderness, in the same manner and degree in which such access and operation and maintenance of such cabin were occurring as of the date of enactment of this title;

* * * * *

PUBLIC LAW 98-425—SEPT. 28, 1984

98 STAT. 1625

ADMINISTRATION OF WILDERNESS AREAS

SEC. 103. (a) Subject to valid existing rights, each wilderness area designated by this title shall be administered by the Secretary concerned in accordance with the provisions of the Wilderness Act: *Provided*, That any reference in such provisions to the effective date of the Wilderness Act shall be deemed to be a reference to the effective date of this title.

16 USC 1131
note.

(b) Within the National Forest wilderness areas designated by this title—

(1) as provided in subsection 4(d)(4)(2) of the Wilderness Act, the grazing of livestock, where established prior to the date of enactment of this title, shall be permitted to continue subject to such reasonable regulations, policies and practices as the Secretary deems necessary, as long as such regulations, policies and practices fully conform with and implement the intent of Congress regarding grazing in such areas as such intent is expressed in the Wilderness Act and thus title;

16 USC 1133.

(2) as provided in subsection 4(d)(1) of the Wilderness Act, the Secretary concerned may take such measures as are necessary in the control of fire, insects, and diseases, subject to such conditions as he deems desirable; and

(3) as provided in section 4(b) of the Wilderness Act, the Secretary concerned shall administer such areas so as to preserve their wilderness character and to devote them to the public purposes of recreational, scenic, scientific, educational, conservation, and historical use.

(c) Within sixty days of the date of enactment of this title, the Secretary of Agriculture shall enter into negotiations to acquire by exchange all or part of any privately owned lands within the national forest wilderness areas designated by this title. Such exchange shall to the maximum extent practicable be completed within three years after the date of enactment of this title. The Secretary is authorized to acquire such lands by means other than exchange, beginning three years after the date of enactment of this title. Acquisition shall be only with the concurrence of the owner. Values shall be determined without reference to any restrictions on access or use which arise out of designation as a wilderness area.

FILING OF MAPS AND DESCRIPTIONS

SEC. 104. As soon as practicable after enactment of this title, a map and a legal description on each wilderness area shall be filed with the Committee on Energy and Natural Resources of the United States Senate and the Committee on Interior and Insular Affairs of the House of Representatives, and each such map and description shall have the same force and effect as if included in this title: *Provided*, That correction of clerical and typographical errors in each such legal description and map may be made. Each such map and legal description shall be on file and available for public inspection in the Office of the Chief of the Forest Service, Department of Agriculture.

TITLE VII

94 STAT. 3540

MOUND CITY GROUP NATIONAL MONUMENT

Lands acquired
by fees.
94 STAT. 3541

SEC. 701. (a) in order to preserve in public ownership certain prehistoric archeological resources of outstanding significance for the benefit and education of the people of the United States, the boundary of Mound City Group National Monument, Ohio, is revised to include the lands within the area generally depicted as "Parcel X" on the map entitled "Hopeton Earthworks Study Area", numbered 353/40,025B, and dated May 1980, and within the area generally depicted as "Revised Monument Boundary" on the map entitled "Transfer of Jurisdiction, Mound City Group National Monument", numbered 353/40,001A, and dated March 1978, which maps shall be on file and available for public inspection in the Office of the National Park Service, Department of the Interior. With respect to the lands within "Parcel X" above, the lands may be acquired only in fee and shall be limited to the mound area depicted on the above referenced map plus such other lands immediately adjacent to the mounds so as to assure adequate access and protection to the area: *Provided*, That the total area acquired in fee shall not exceed one hundred and fifty acres. Access to lands in the vicinity of the mounds by existing roadways shall in no manner be encumbered by Federal acquisition or by the administration of the monument.

Procurement of
lands and
waters.

(b) Within the boundary of the national monument, the Secretary is authorized to acquire lands and waters by donation, purchase with donated or appropriated funds, transfer from any other Federal agency, or exchange. Notwithstanding any other provision of law to the contrary, Federal lands in the vicinity of the monument which are determined to be surplus to the needs of the United States shall upon the request of the Secretary be transferred to the Secretary for use by him in acquiring lands within the monument by exchange.

PUBLIC LAW 96-607—DEC. 28, 1980

94 STAT. 3541

(c) The Secretary shall, in consultation with interested organizations and individuals, investigate other sites in the region which contain archeological data illustrating the prehistoric Hopewellian civilization that flourished in the Eastern United States, and as a part of this investigation he shall identify those sites which he determines should be protected as part of the Mound City Group National Monument. Not later than two complete fiscal years from the effective date of this section, the Secretary shall transmit a report of his investigation to the Committee on Interior and Insular Affairs of the United States House of Representatives and the Committee on Energy and Natural Resources of the United States Senate, together with his recommendations for such further legislation as may be appropriate.

Consultation.

Report to
congressional
committees.

(d) There is authorized to be appropriated such sums as may be necessary to carry out the provisions of this section, not to exceed \$1,000,000 for the acquisition of lands and waters and not to exceed \$100,000 for the development of facilities and the conduct of archeological investigations on the properties acquired pursuant to this section.
